

TRACER 9 GT

With Yamaha's famous Deltabox-style chassis and the CP3 engine at its heart, it's no surprise the TRACER 9 GT continues to redefine the sport touring class. With Yamaha's DNA running through it, TRACER 9 GT is a sportbike when you want, while being equally at home touring with a passenger and luggage. Semi-active electronic suspension adapts to your circumstances and riding preferences, while other intelligent technology includes a unified braking system with Vehicle Hold Control and, in a world first, a new Matrix LED headlight, which automatically adjusts the light beam to give maximum visibility at all times.

ENGINE <u>เครื่องยนต์</u>		
Engine type	ชนิดเครื่องยนต์	3-cylinder, 4-valves, 4-stroke, Liquid-cooled, DOHC
Displacement	ปริมาตรกระบอกสูบ	890cc
Bore & Stroke	กระบอกสูบ & ระยะชัก	78.0 mm x 62.1 mm
Compression ratio	อัตราส่วนกำลังอัด	11.5:1
Maximum power	รอบเครื่องสูงสุด	87.5 kW (119.0 PS) @ 10,000 rpm
Maximum torque	แรงบิดสูงสุด	93.0 N*m (9.5 kgf*m) @ 7,000 rpm

DIMENSIONS <u>ขนาด & น้ำหนัก</u>		
Overall length	ความยาว	2,175 mm
Overall width	ความกว้าง	900 mm
Overall height	ความสูง	1,440 mm, 1,530 mm
Seat height	ความสูงจากพื้นถึงเบาะ	845 mm, 860 mm
Wheel base	ระยะห่างฐานล้อ	1,500 mm
Minimum ground clearance	ระยะห่างจากพื้นถึงเครื่อง	135 mm
Wet Weight	[including full oil and fuel tank] น้ำหนักรวมถังน้ำมัน	227 kg
Fuel Tank capacity	ความจุถังน้ำมันเชื้อเพลิง	19 L

CHASSIS <u>ตัวถัง</u>		
Frame	ชนิดของเฟรม	Diamond
Front suspension system	ระบบกันสะเทือน (หน้า)	Telescopic fork
Rear suspension system	ระบบกันสะเทือน (หลัง)	Swingarm
Front Travel	ระยะยุบโซ้ค (หน้า)	130 mm
Rear Travel	ระยะยุบโซ้ค (หลัง)	131 mm
Front brake	ระบบเบรก (หน้า)	Hydraulic dual disc
Rear brake	ระบบเบรก (หลัง)	Hydraulic single disc
Front tyre	ยาง (หน้า)	120/70ZR 17M/C (58W) Tubeless
Rear tyre	ยาง (หลัง)	180/55ZR 17M/C (73W) Tubeless

Features

All-new Matrix LED headlight

In a world first in the motorcycle sector, the adaptive Matrix LED headlight provides illumination like never before. Linked to a camera built into the fairing, the system detects surrounding traffic conditions and automatically controls individual LEDs within the matrix to deliver an optimally shaped beam of light to maintain illumination.

7" TFT dashboard with fully integrated Garmin navigation

The 7" TFT incorporates three themes and comes with Garmin LinkBox connectivity to provide integrated navigation, while calls, messages and music can be received through the Yamaha MyRide App and Y-Connect and controlled using the five-way joystick on the left hand switch cube. A dedicated smart phone storage box includes a USB-A outlet for charging on the go.

Smart key technology with central locking luggage

Yamaha's Smart Key System allows you to fire up the TRACER 9 GT without a physical ignition key. The key fob operates while in proximity of the bike and allows the central locking and unlocking of all functions, including the steering lock, fuel cap and the standard hard side cases, which remain secure whenever the smart key is out of range. When fitted, Yamaha's genuine accessory top box also operates in the same way.

New electronically adjustable windscreen

The TRACER 9 GT delivers improved wind protection thanks to a redesigned front fairing and windscreen. The new wind tunnel developed arrangement reduces buffeting to ensure both riders and pillion arrive at their destination fresher than ever, while the electronically controlled windscreen now offers 100mm of stepless adjustment to allow the rider to fine tune the aerodynamics to meet their own specific preferences.

Third generation quickshifter** (on manual transmission model)

The TRACER 9 GT (standard transmission) comes with Yamaha's third generation quickshifter system. Working in conjunction with the YRC ride modes, the shifter facilitates clutchless upshifts and auto-blip assisted changes down the gearbox with a wider operating range than before.
